

A photograph of a construction site under a blue sky with white clouds. On the left, a large building is under construction, completely encased in a complex network of metal scaffolding. A white, semi-transparent network of lines and circular nodes is overlaid on the scaffolding, extending towards the right. In the foreground on the right, a construction worker wearing a green hard hat, a yellow safety vest over a blue shirt, and jeans is walking on a concrete surface. In the background, there are utility poles, a tall light tower, and a distant city skyline.
